

## TEACHERS' TRAINING WORKSHOP

10 September 2010 5.00pm – 8.30pm  
(Early Years Workshop)

Letterland is a child-friendly phonics system for teaching the English language. Developed in the United Kingdom, this literacy programme introduces the skills that are needed for children to learn to communicate – speak, read, write and spell. Letterland is a flexible, multi-sensory, story-based approach using pictogram characters to bring to life the plain letters of the alphabet. It is used extensively in kindergartens and schools all over the world.

Join us and learn how to use Letterland in your English teaching!

**Participants will receive a Certificate of Attendance upon completion of workshop.**

<b>Early Years Workshop (Playgroup, Nursery and Kindergarten)</b>
<ul style="list-style-type: none"><li>▪ Overview of Letterland</li><li>▪ Developing phonemic awareness through play and practical activities</li><li>▪ Using Letterland to teach alphabet sounds</li><li>▪ Sound Clinic: refreshing individual letter sounds to ensure correct pronunciation</li><li>▪ Linking the sound and shapes of letters</li><li>▪ Introducing vowel sounds</li><li>▪ Teaching early word building</li><li>▪ Encouraging speaking, listening and thinking skills</li></ul>

### About the Speaker:

#### **Mrs Lesley White**

Lesley is a former Early Years teacher, who since joining the Letterland team in 1992, has supported and trained teachers, helpers & parents in implementing and using Letterland both in UK and in many countries throughout the region and around the world. She has developed, designed and implemented various types of courses covering all Letterland's materials for those both new to the Letterland's approach while providing practical support for more experienced users. Lesley has vast experience in all aspects of Letterland and early phonics teaching.
